

WE ARE...

This time of year is always a special time here at Marshall University. With cooler weather comes the beautiful reds, oranges and yellows donning our fall foliage across campus. It is also the time of year when the fireplace begins to burn bright in the Memorial Student Center, classes begin to wind down and the holiday season begins to weigh heavy on the minds of students. But this time of year also reminds us all what it truly means to be a son or daughter of Marshall. It is the time of year when the Memorial Fountain goes silent and the memories of 75 members of the Marshall family are remembered and honored. It is the time of year to reflect, celebrate and fully appreciate what the words "We Are" truly stand for. Because at Marshall University, "We Are" means hope. "We Are" means love. And "We Are" means family. That is why We Are...Marshall.
